DEAR HAROLD

MADE ABOUT 25 SHOTS TO DUPLICATE 133A AND 133B USING YOUR RIFLE. RETURNED REFEE TO STEVE BURTON FOR COMMITTEE TO MAIL TO YOU (HAVE TO COUNT PENNYS NOW)

YOUR CARD AND MEASURED 36" IN LENGTH - COMM.'S CARD AND MEASURES 40.7? ANYWAY I DISCOVERED SOMETHING THAT SURPRISED ME... THAT THE NOSE AND BODY SHADOWS ARE OR COULD BE CONSISTANT! SUN IS ABOUT RIGHT HERE (PHOTOS WERE TAKEN MARCH?) SO I MADE SOME PHOTO STUDIES. SEE ENCLOSURE.

I ALSO MADE ENLARGEMENTS OF 133A & 133B, 11 UP TO 16"X24" AND THE HEAD REALLY LOOKS LOWERED ON 133A. ALSO THE TRIANGULAR HIGHLIGHT OVER THE LEFT SHOULDER DOES NOT FOLLOW THE CONTOURS OF THE BUILDING IN 133A. AND THE FIGURE WOULD TOPPLE OVER TO THE LEFT IN THIS POSITION. CHIN IS TO THE LEFT OF RIGHT FOOT. TRIED TO POSE MY BODY THIS WAY AND HE LOST BALANCE EACH TIME.

AT THIS POINT I LEAN TOWARDS THE CONCLUSION THAT THESE FIGURES (BODIES) WERE PRINTED INTO THE BACKGROUND. NOTICE HEAD BODY SHADOW IS TOO CRISP AS IT TRAVELS OVER GRASS IN 133A

OVER

IT SEEMS LOGICAL THAT IN ORDER NOT TO BE SPOTTED TAKING THIS PHONEY PHOTO "THEY" FIRST:

(1.) TOOK BACKGROUND PHOTOS OF OSWALDS HOUSE

(2.) POSED A MAN WITH GUN AND PAPERS ON ROOF OF BUILDING WITH SKY BACKGROUND AND DARK CLOTHING.

(3.) REPLACED HEADS ON ROOF SHOT USING ONE HEAD SHOT OF OSWALD TWICE

(4.) DOUBLE PRINTED FIGURE AND HEAD AND BODY SHADOW INTO OSWALD HOUSE BACKGROUND

(5.) PRINTED 133A FIGURE OFF BALANCE INTO BACKGROUND AND MADE HEAD TOO LARGE. (SEE FILM I SENT)

(6) RETOUCHED 133B BODY SHADOW TO LOOK BELIEVABLE AS IT GOES OVER GRASS.

(7) BLEACHED BACKGROUND SLIGHTLY ON NEG. OF HOUSE TO RECIEVE FIGURE. SHADOWS ON FENCE ARE GONE.

(8) SHADOW ON LEFT WRIST IN 133B SHOULD HAVE BEEN REMOVED TO CONFORM. PROBABLY WAS THERE IN "ROOF SHOT".

(9) OSWALD ALWAYS APPEARS WITH SILVER I.D. BRACELET IN OTHER PHOTOS (ON THE LEFT WRIST)

HANDS IN THESE TWO PHOTOS ARE OK. I'VE CHECKED THEM OUT WITH OTHER PHOTO STUDIES.

ODD THINGS!

1. WHITE BUTTONS ON DARK SHIRT, USUALLY MATCH SHIRT.
2. IN ONE PHOTO FIGURE HAS LOAFERS AND IN OTHER THEY APPEAR TO BE STREET SHOES.?
3. HIGHLIGHT ON TOP OF COLLAR LEFT OF NECK IN 133B NOT POSSIBLE
4. SHADOW OF GUN ON GROUND SEEMS NOT TO INC. SCOPE IN 133B
5. SHIRT FULLER - LARGER IN 133B TIGHTER IN 133A.

BURTON GAVE ME PHOTO (FUZZY) OF MAN'S HEAD. PHOTO CAME FROM SPRAGUE. THOUGHT IT WAS MAN WITH HAT FIT ON STREET. THEN WAS IDENTIFIED AS CHARLES BRETHM BY JAFFE. I ENLARGED HEAD PHOTO OF BRETHM AND COMPARED WITH THIS AND...

THIS CANNOT BE A PHOTO OF BRETHM.

NONE OF WALKING MEN ARE BRADLEY

MILLER
